If you answer yes to any of the following, please contact us.

Intensive In-Home Counseling

Is your child (Ages 4-21):

- ◆ Diagnosed with a mental or behavioral health disorder?
- ◆ Involved with the courts or Juvenile Justice System?
- ◆ Having behavioral problems at home, school, or the community?
- ◆ Having difficulty with controlling his/her anger, making appropriate decisions, and or respecting authority?
- ◆ Experiencing or witnessing mental, physical, domestic, or sexual abuse?

Mental Health Skill-building Services

Do you (18 and older):

- ◆ Have a serious mental health, emotional or behavioral health diagnosis?
- ◆ Have difficulty achieving or maintaining stability?
- ◆ Need medication management and monitoring of health?
- ◆ Need assistance with activities of daily living?
- ◆ Have a history of hospitalizations due to a serious mental health condition?
- ◆ Need assistance with securing community resources?
